

# A Trusted Partner for Laboratory Needs

## Industries We Serve

Pharmaceutical

Laboratory

API & Excipient

Ayurveda

Nutraceutical

Food & Cosmetics

Biotechnology

## ABOUT US

**Viohm Consulting & Co.** is one of the leading company dedicated to supply-leading Scientific equipment, instruments , Glassware, Plastic ware, Consumables ,Standard & Impurities , Calibration, Validation and analytical services especially to the Pharmaceuticals and allied industries.

**OUR VALUES : Trust , Quality and Service**

**OUR VISION :** To be a trusted Service provider at highest level of customer satisfaction with cost effective solution even from small to large manufactures in the pharmaceutical and allied industries.

## LABORATORY GLASSWARE & ESSENTIALS

**Volumetric Flask**  
clear & Amber

**Measuring cylinder**

**Pipette**  
with Bulb & graduated

**Burette**  
stop cock.

**Bottles**

Well know brands with Wide range of Glassware with individual certificate characterize with unique number.

Quality conforming with international specification\_ ISO/ASTM/USP.

Made of heat resistant Borosilicate 3.3 Glass with Complete Traceability.

Easily available on Request.

**Desiccator & Evaporating dish**

**Beaker , Conical and isometric Flask**

**Culture, centrifuge & Test tubes**

**Flask Stopper glass and Plastic**

**Dissolution Glass Jar**

**Separating Funnel**

**Condenser**

**Distillation unit**

**Extractor**

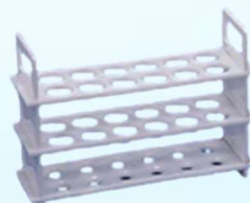

**Mortar & pestle**

**Crucible**

**Pipette filler & Bulb**

**Test tube stand**

**Pipette Dispenser**

**Micro pipette**

We deals with  
Glassware &  
Essential Brands

**supertek**

**vwr**  
part of avantor

**BOROSIL**

**J-SIL**

## LABORATORY CONSUMABLES

Syringe filter- Nylon,  
PVDF & PTFE

HPLC vials , clear  
amber, shell type

Caps with Septa ( bonded ,Nonbonded  
pre slit)

GC vials \_Amber &  
Clear

HPLC & GC columns

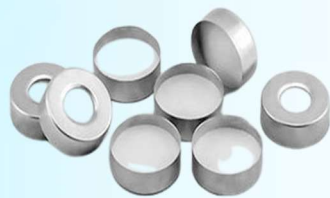

100% Graphite  
Ferrules for GC

Plastic Vial  
trays Paraffin  
films

Cellulose & membrane  
filters

Aluminium Crimp cap with  
PTFE silicon septa (20 mm)

Aluminium Star Crimp cap with  
PTFE silicon septa (20 mm)

Magnetic Crimp cap with  
septas (20 mm)

Ferrules & Wires

## LABORATORY SOLVENT, CHEMICAL, REAGENT & BUFFERS

LR/AR/HPLC grade  
solvents

AR/LR/GR grade  
Chemicals

Buffers

Reagents &  
speciality chemicals

## CULTURE & MEDIA, WORKING STDS, IMP STD AND ICP STDS

Micro Media & Chemical

Working standard

Impurity standards

ICP\_Standards

We deals  
with brands  
for above  
product

## DISPOSABLE OR REUSABLE GARMENTS

					
Complete Gowns	Disposable apron	Face Masks	Safety Eyewear	Gloves	Shoe covers

## PLASTIC WARE

				
Beakers	Measuring cylinder	Bottles	Washing Bottles	Carboy
				
Pipette stand	Centrifuge tube	Micro tips & pasture pipettes	Burette clamp	Desiccator PC/PP

## MICROBIOLOGY LAB INSTRUMENT & EQUIPMENT

		
Microscope	Colony Counter	Antibiotic Zone reader
		
BOD Incubator	Cyclomixer	Autoclave

We deals  
with  
Brands

# ANALYTICAL LABORATORY INSTRUMENT & EQUIPMENT

			
Disintegration tester	Friability tester	Dissolution	Leak test apparatus
			
UV Spectrophotometer	FTIR	Bulk density tester	Hardness tester 3-P
			
Analytical Balance	IR moisture balance	KF Titrator	Autotitrator
 			
PH-Meter      Conductivity meter	Viscometer	Magnetic sieve shaker	Busting Strength tester
			
Multi station Magnetic Stirrer	Flask Shaker	UV Cabinet	Centrifuge Machine
			
Ultrasonicator	Water bath 06 or 08 holes	Heating Mantle	Hot Plate
			
Photo Stability chamber	LOD Oven	Vaccum Oven	Muffle Furnace
			
Standalone Stability chamber	Cooling chamber	Fume Hood	Vertical Laminar Airflow

We deals  
with  
Brands

## ANALYTICAL SERVICES

We help to provide best analytical and development laboratory as per your testing plan. Our CROs accredited with NABL, WHO and USFDA registration having state of ART Facilities.

Our Services are provided to industries catering to WHO, EU, US and ROW market as ;

- ◆ Method development, Validation, Verification & transfers.
- ◆ Impurity Profiling and Characterization.
- ◆ Analysis as per USP, EP, BP, IP, CP, JP etc.
- ◆ Microbial testing.
- ◆ Stability & Photo stability studies as per ICH guidelines
- ◆ Forced degradation Studies
- ◆ Elemental Impurities as per ICH Q3D, USP chapter <232> & 233>
- ◆ Genotoxic Impurity ["Nitrosamine Impurities"] quantification studies.
- ◆ Extractable & Leachable studies.

## CALIBRATION & VALIDATION SERVICES

SINGLE- SOURCE NABL ACCREDITED  
SERVICE PROVIDER FOR :

- ◆ Testing & Calibration of Instruments & Equipment
- ◆ Thermal Validation
- ◆ HVAC Validation
- ◆ Humidity & Temperature Mapping of Area
- ◆ Compressed Air Validation
- ◆ PLC Validation
- ◆ External calibration : balance E1 & E2
- ◆ Computer system validation
